

USNA Class of '89 Board of Directors

Brian Caldwell Nominee Statement

Classmates, I ask for your vote to become a USNA89 Class Officer. It would be an honor to again serve our great class. Below are a few of my contributions in helping our class.

- Significant contributor (volunteer) for last 4 or 5 reunions. Ran the very successful NAPS reunion event. Sought sponsors to cover the SWAG and food so everything was free to fellow Napsters.
- 3-time Class Officer and Class Treasurer. Initiated and guided the re-write/modernization of our class by-laws. With the other Class Officers' support, initiated the position of and became 89 Class "CACO," to help ensure class representation at classmates' funeral services and/or Celebrations of Life.
- Frequent (minor) assistance with class tailgaters.

From the list of nominees I saw, there are no bad choices. I ask for your vote to further server the United States Naval Academy Class of 1989.

Thank you,

Brian Caldwell
