

USNA Class of '89 Board of Directors

Dave Dowling Nominee Statement

Classmates - It is an honor to be nominated given the exceptional character of our class. I would like to share my background with you as it has been many years since we have graduated:

- 22 years USMC, 14 years with Northrop Grumman; I now live in the land of Lincoln with my wife Beata.
- I have been a Blue & Gold Officer for 10 years.

I agreed to run because I'm a believer in the mission of the Naval Academy and the Class of 1989. I would advocate for anything that ties the two together or furthers connections within our class.

I'm happy to answer any specific questions you have, either 1:1 or via social media.

Last but certainly not least: there are no bad choices. I know everyone who is running, either personally or by reputation. Every one of them is a good choice to serve our class.

Semper Fidelis,

Dave Dowling
