

USNA Class of '89 Board of Directors

Denise Willert Nominee Statement

Dear classmates, it has been an honor to serve our class for the past six years as Class President. I appreciate the trust you've put in me to lead, and I am very grateful to have been part of our amazing team of talented and caring board members. I believe our greatest achievement has been honoring our fallen classmates on the plankowner wall at the new Alumni Center and I will be forever proud to see their names so beautifully displayed. Among our many projects, we've designed Chapel Dome class mementos, designated three new Honorary Classmates, and held a world-class 35th reunion this past fall, a true team effort. I look forward to more great accomplishments in our future and am hopeful that you might allow me to continue to serve our class in any capacity. We are stronger and better TOGETHER!

Now's the Time, 89! Warmly, Denise
