

USNA Class of '89 Board of Directors

Karen Quilty Nominee Statement

Classmates, I was thrilled to chair our 35th Reunion last year, and I hope you all enjoyed it as much as I did. Supported by an incredible committee, we pulled together a weekend that truly focused on togetherness and fun. I would love the opportunity to continue serving our classmate as a board member. My focus as a board member will be class unity—supporting each other while making a lasting impact on USNA and helping shape opportunities for current and future midshipmen. I have ideas I'd love to bring forward, including '89 Cares, an initiative to connect and support classmates and their families. I have the time, energy, and passion to devote to our class. I'm not afraid to voice my opinion, but I will always lead with respect, collaboration, and a focus on what's best for all of us. It would be an honor to continue serving our great class. Thank you for your consideration and for all you do to make '89 so special.
